OCIA We will appear before the Father for our final personal judgment. If we know Jesus and have followed Him, He will defend us before the Father. If not, He will turn away from us.

Artificial Intelligence, Human Wisdom, and the Heart of the Gospel

Artificial Intelligence, or AI, seems to be everywhere these days. It helps write emails, answer questions, create images, and even assist in making important decisions. For many people, it is exciting. For others, it is concerning. Yet as Catholics, we are called to approach new technologies not with fear, but with wisdom.

In his recent encyclical *Magnifica Humanitas* ("The Greatness of Humanity"), Pope Leo XIV reminds us that technology should always serve the human person and never diminish the dignity God has given us. He warns that while AI can be a powerful tool for good, we must never allow it to replace our humanity, our relationships, our moral responsibility, or our openness to God.

This teaching echoes the words of Sacred Scripture. In the Book of Genesis, we read that humanity is created in the image and likeness of God (Genesis 1:27). Our value does not come from our efficiency, productivity, or ability to process information. Our dignity comes from being beloved children of God.

AI can process data. It cannot love. AI can generate words. It cannot pray. AI can imitate conversation. It cannot form a relationship with Jesus Christ. That distinction is important.

The danger is not that machines become human. The danger is that humans begin to act like machines.

When every problem has a quick answer, we can lose the patience needed for wisdom. When every moment is filled with screens and notifications, we can forget how to listen. When technology becomes the center of our attention, God can slowly move to the margins of our lives.

Jesus tells us, "What profit is there for one to gain the whole world and forfeit his life?" (Mark 8:36). In today's world, we might ask a similar question: What good is having unlimited information if we lose sight of truth, virtue, and our relationship with God?

The Church is not opposed to technology. In fact, the Vatican recognizes AI can assist in education, healthcare, scientific discovery, and other areas that benefit humanity. The question is not whether we should use these tools, but whether we are using them in ways that honor God and respect human dignity.

Perhaps the challenge for us this week is simple. Before turning to our phones, turn to prayer. Before asking a machine for an answer, spend time listening to God's voice in Scripture. Before scrolling through another screen, spend a few moments in conversation with a spouse, a friend, a child, or the Lord Himself.

Technology is a gift when it serves humanity. Faith reminds us that humanity flourishes only when it remains connected to God.

As Pope Leo reminds us, the future should not be built on technology alone, but on truth, human dignity, and the wisdom that comes from God. May we use every tool available to us wisely, while never forgetting that the greatest intelligence is not artificial it is the wisdom of a heart rooted in Christ.

Blessings,
Deacon Mike

Are you interested in becoming

Catholic?

Have you ever wondered about the Catholic faith? Are you thinking about becoming Catholic, completing your Sacraments, or simply learning more about what the Church teaches?

We invite you to attend our OCIA (Order of Christian Initiation of Adults) Information Session on Sunday, July 19th at 12 PM in the Divine Artworks Center.

Whether you are beginning to explore the faith, have been attending Mass and want to take the next step, or know someone who is interested, this session is a welcoming opportunity to learn more. There is no obligation. Just come, listen, ask questions, and discover where God may be leading you.

The Catholic faith is more than a set of beliefs; it is an invitation into a life-changing relationship with Christ and His Church. If you have been feeling a desire to learn more, this may be the perfect opportunity to take that next step.

Saint John the Evangelist

125TH ANNIVERSARY HISTORY OF OUR PARISH

FROM NOW UNTIL OCTOBER, WE WILL HIGHLIGHT THE HISTORY OF SAINT JOHN IN OUR BULLETIN! FOLLOW ALONG AND LEARN SOMETHING NEW!

Rev. Titus Dereszkiwicz served as pastor from August 6, 1905, to August 3, 1911. In July 1910, a wave of strikes swept the country, bringing hardship to many, including the small parish of St. John. Monthly collections fell so sharply the church could no longer pay the pastor, organist, and teacher. The parish declined quickly, and by 1911 membership had dropped to just 65 families. On August 3, 1911, the Rev. Joseph Frania, a young and energetic priest, became pastor. During one of the most difficult periods in St. John's history, Father Frania led the parish for nearly 25 years and kept it alive.

In 1924, he brought in the Bernardine Franciscan Sisters, followed by the Holy Family Sisters in 1926, to teach at the school, which had previously been staffed only by lay teachers. Unfortunately, the stock market crash and the Great Depression in 1929 ended the Sisters' work and forced St. John's School to close. The parish then declined further, as funds were too scarce to maintain the property. To make matters worse, a fire broke out in the church in 1929, and the necessary repairs added even more debt. In December 1935, after 24 years of struggling to preserve the parish, Father Frania was transferred to Pittsburgh.

Magnificat

A Ministry to Catholic Women

Greensburg Magnificat Breakfast

Debra Iwaniec's spiritual journey has been one of unflinching faith and hope against a backdrop of devastation. Debra and her husband, Ken, had their lives changed forever when their son, Kenton, a PA State Trooper, was killed by an impaired driver. Since that day, Debra and her family have paid tribute to Kenton through a tireless campaign to spare other families from the unnecessary pain they have endured. Debra's message is one of hope amidst unimaginable pain. By following our Blessed Mother's example of surrendering to God's will, she has experienced a multitude of God's blessings and the Holy Spirit's comfort and strength. Her story is a testament to God's unending love.
