

Who is Jesus to you?

Grades 6 - 8th

Who is Jesus to you? Think of two or three words that you think BEST describe Jesus to you. Who is the person you picture when you pray and what are his characteristics? Is he caring and compassionate, is he casual and a friend? Where do you “see” Jesus the most in your life, do you see him more in the people around you, or in the symbols at Church and Mass?

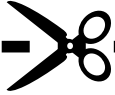

Also consider your favorite story of Jesus from the Gospels – is Jesus a shepherd, a friend, a savior; is he smart, caring, or holy? Using colored markers, paint, colored pencils, or another art form, create a masterpiece that reflects how you see Jesus! Get creative and find ways to include your characteristics of Jesus in your art. You can draw or create an interpretation of just Jesus or a whole scene from a Gospel story scene.

Some examples:

- “friend” – kneeling down to your height
– opening his arms for a hug
- “holy” – give him a halo
- “caring” – as a shepherd tending to sheep
– as Jesus calling the children to himself
- “heavenly” – give him radiant clothing and a crown
